BOARD OF EDUCATION

REPORT No. 1

We have had before us memorials concerning the establishment of a school of secondary grade in the Mount Airy District at Jefferson, N. C. We have also heard from personal representatives of this enterprise and the facts brought to our attention in regard to this school appeal strongly to our sympathy for, and interest in, the people whose educational welfare would be served through the agency of such a school as they seek to have established among them.

We wish to express our appreciation of the confidence in us as a church that is implied in the offer of land and money to aid in the accomplishment of the desired result. The resources tendered us however, for this purpose being entirely inadequate, we have been forced to scrutinize with great care the relation of the probable cost of this venture to the legitimate and expected resources of our Board.

Viewed from this angle, we deem it unwise to recommend the assumption of much financial responsibility for an undertaking of this sort.

The conditions which have deterred us are: The crying desperate needs of all the schools that we now have in operation; the large indebtedness now encumbering the properties of these schools; and the rapid approach of the maturity of a bonded indebtedness of \$20,000 for the payment of which we have as yet, no adequate or reliable provision.

While these are our convictions as to the attitude we ought to assume to this enterprise, when viewed solely from a business standpoint, we recommend:

First, That the Conference by its vote express to the Methodism of the Mount Airy District, our sincere interest in the educational work that they are seeking to inaugurate.

Second, That we sincerely hope that they will not falter in their own efforts to establish this school and should they do so, that we pledge whatever of support our formal endorsement as a church would imply.

Third, That we pledge to them any future financial aid that we may be able to render when present conditions are so altered as to make such assistance possible. We now pledge them \$500.00 to

be paid at the close of 1911, provided that our Board of Missions will appropriate a like sum, and provided further, that the promoters of this enterprise shall raise for the school not less than \$10,000.

Fourth, We recommend that the amount of \$500.00 hereby appropriated, be added to our present assessment for education.

S. B. TURRENTINE, *President.*

L. T. MANN, *Secretary.*

REPORT No. 2

We have had before us reports from Trinity College, the Correspondence School of Vanderbilt University, Greensboro Female College, Davenport Female College and Weaverville College.

Personal representatives from most of these institutions have appeared before the Board and we are pleased to learn from them that all of our Conference and Connectional schools are in a prosperous condition, especially is this true of Trinity College and the Greensboro Female College.

Our General Secretary, Dr. Stonewall Anderson, requests us to call attention to the new laws of our church on the subject of education and especially to those requirements which provide for the reinforcement and equipment of our ministry. He also brought the Education Extension Foundation to the attention of the Board and requested that we provide for the observance of Education Day. We therefore recommend that the first Sunday in June be so observed by the congregations throughout our Conference, and that on that day, the cause of education be clearly and earnestly presented by all our pastors.

The assessment made by the General Board upon our Conference for the present year is \$4085.00. We recommend that our present assessment of \$9000.00 remain in force and that \$500.00 be added for the proposed school at Jefferson, N. C., and that this sum \$13585.00 be apportioned among the districts.

We recommend the confirmation of the following trustees: Hon. W. D. Turner, as Trustee of Trinity College; Rev. S. B. Turrentine as Trustee of Greensboro Female College, and Dr. L. G. Reid, Rev. H. M. Blair, W. H. Cloyd, J. H. Beall, and J. M. Tuttle as Trustees of Davenport College; and J. W. Gullett, O. E. Ford, J. B. Ivey, W. A. Conley and T. L. Sigman as Trustees of Rutherford College.

We also recommend the appointment of Rev. J. B. Craven as President of Davenport College and Rev. W. M. Curtis as Secretary and Treasurer of Greensboro Female College.

There being a provision in the Charter of Trinity College which limits the holdings of that Institution to \$3,000,000.00, at their

request we recommend that the Board of Trustees be authorized to take such steps as are necessary to revise the Charter so as to remove this limitation.

Because of the Missionary character of the Brevard Industrial School, we wish to re-affirm our interest in, and our loyalty to, the Institution and its work. In order that this sentiment may have some adequate material expression, we request our pastors to observe the first Sunday in March as Brevard School Day and that they take a collection on that day for the aid of the Institution.

A committee having been appointed by a joint meeting of the Boards of Education of the North Carolina Conference and of the Western North Carolina Conference with instructions to outline an educational policy for the two Conferences, together with a plan for the correlation of the Methodist schools in our state and that committee having submitted its reports to our Board, we therefore recommend that a Committee composed of Rev. S. B. Turrentine and W. R. Odell be appointed to cooperate with a like committee from the North Carolina Conference for the purpose of devising a plan for the correlation of our schools and that the said committee be instructed to submit to the Board of Education at its next session such plan as they have been able to agree upon.

BOARD OF MISSIONS

We rejoice in the success of our missionary work both at home and abroad. But this success has created "an urgent need for an immediate and large increase in the regular income, not for advance movements, but to properly maintain the work already begun and hold the ground already won." The General Board says that retrenchment or retreat is inevitable unless there is more money to appropriate.

In order that this increase of the regular income may be obtained we again urge every one of our pastors to make an Every Member Canvass. This method of enlisting every member and securing a contribution every week will easily increase the missionary income. We earnestly urge that it be introduced into every congregation.

The literature for this canvass will be furnished by the Board of Missions if you will write to 810 Broadway, Nashville, Tenn. And while you are writing ask about the admirable missionary policy for the Sunday School devised by them. If every pastor will co-operate in getting this policy adopted in every Sunday School it will help to solve the problems of missionary education and finance.

In the Missionary Voice we hope the church will have such a paper as we have long needed. A missionary periodical that surveys and reports the whole missionary work of the church, including the foreign work, the women's work and the work at home. It cannot fail to create missionary intelligence and interest, wherever read and result in larger missionary gifts. The wise pastor will push its circulation among his people.

HOME MISSIONS

When we take into account the character of our people and the position of our country it is clear that with fifty millions of unsaved people the United States is the greatest mission field in the world. We rejoice therefore that our church has adopted a more comprehensive home mission policy and has begun with energy to carry it out. We are sure therefore, that our people will accept cheerfully the assessment of \$2150 laid upon us by the General Board.

In our own Conference the conditions under which religious work is done are yearly becoming more diverse and difficult. The movement of the people from country to town, creates two missionary problems, the growing town or industrial center on the one hand and the depleted country on the other. And the ever increasing cost of living in both town and country adds perplexity to the

situation. In addition to the need of more and larger appropriations for our evangelistic work, there is a growing conviction that if our church is to do her best work for the kingdom of God, and maintain her place of religious leadership in our territory, she must undertake a larger ministry. The preaching service alone is seen to be inadequate to the needs of both the factory district and the backward country community. It seems that other work must be undertaken in order to give the preacher a larger hearing and the better preserve the fruit of his preaching. The time has come for an advance in missionary activity in our own borders. We recommend the appointment of H. K. Boyer as Conference Missionary Secretary. We recommend the election of C. H. Ireland as Conference Lay Leader.

The assessments for the coming year are:

Foreign Missions	\$21500.
Domestic Missions	21500.

REPORT OF THE BOARD OF CHURCH EXTENSION

Your Board of Church Extension has received from the Joint Board of Finance on assessments the following amounts:

1906	\$4661.88
1907	4760.31
1908	5716.39
1909	6399.51
1910	6965.91
	<hr/>
	\$28504.00

One-half of which has been paid to the Parent Board. The other half has been used in helping complete and in paying the indebtedness on ninety-two churches, with the exception of \$500, which we have set aside as the Western North Carolina Conference Loan Fund, which is to be loaned to worthy churches in our Conference on the recommendation of our Board, the loans to be made and collected and funds held by the General Board without expense to our Board.

This Board has tried to thoroughly investigate each case and has made all donations conditionally, one condition being that the donation made pay the entire indebtedness of the church to which it was made. We have taken certificates from the trustees that the conditions have been fully complied with, yet in one instance it

has come to our knowledge that after this was done the church building was sold to pay its debts. In one or more cases the churches have been practically abandoned and in several cases the churches have asked for additional aid from our Board and the General Board. These conditions are largely due to the efforts to establish churches too close to other churches and in communities where there is little prospect of building up a self-sustaining congregation or doing much good.

This Board suggests that more care be taken in the location of new churches. It believes we are paying undue attention to the cotton mill and purely missionary places, and neglecting to some extent the stronger country sections from which we have much more to hope. While we are spending our money on these missionary places and floating population, other denominations are locating churches in the growing sections of the country.

Assessment for 1910-1911, \$10,750, one-fifth of which is for parsonages.

REPORT OF EPWORTH LEAGUE BOARD.

Your Epworth League Board wishes to call your attention to the increased number of Chapters and membership in the Epworth Leagues throughout the church during the past quadrennium. There were six hundred new chapters formed and twenty thousand members added to this department of our church during this time. These figures are, comparatively, not large, but significant. They signify the added interest and increased life in this great work.

The work of the Epworth League is better understood than ever before and we are glad to note also, that our General Board is to

have a Christmas Conference at Nashville, Tenn., which is to study methods of church work, and plans of developing our leagues.

We call attention to the study courses, prescribed by the General Board and also to the boy's league, in which there is a fruitful field for great and effective work. The General Board has placed before itself the task of having in the church, at the end of this quadrennium, as many Epworth League Chapters as there are pastoral charges. And, of bringing the membership of the League to 240,000. To this task we pledge our assistance. If there is to be a great revival movement in the church, it will be largely related to the young people and the children. Therefore, the Epworth League will have a large place in this movement. Your special attention is called to the Epworth Era. It contains many helpful directions and suggestions for League work.

We are glad to notice the increase in interest in the Epworth League in our Conference. Not merely as a matter of sentiment, but in actual growth. We now have 55 Senior League Chapters, with 1753 members and 32 Junior League Chapters, with 1175 members, making a total of 2928 league members.

We would again urge the necessity of organizing Junior Leagues, both for the permanency of our work and because, in the Junior League the preacher in charge finds his greatest opportunity for the pastoral instruction of children.

A large per cent. of our districts have this year held district Conference Leagues, and we hope that in the coming year all the districts will be thus effectively organized for work.

We are gratified to note that organization of the Conference League was effected last year in Asheville. The Conference expects to hold another session next year, about July the 1st. The place will be announced later.

Your Board hopes that the anniversary meetings during the annual Conference session, may be perpetuated. Therefore, be it resolved: That Wednesday evening of our next annual Conference be set apart as the time for holding an Epworth League anniversary, and that the incoming Board is hereby directed to provide a suitable program for that occasion.

A. T. BELL, *President.*

C. M. PICKENS, *Secretary.*

REPORT OF THE SUNDAY SCHOOL BOARD

The Sunday School Board urges:

First, That Children's Day be observed, as nearly as possible on the day designated by the church, by every Sunday School in the Conference, and that the collection taken on that day be sent

immediately to the Secretary and Treasurer of the Sunday School Board;

Secondly, That each superintendent and pastor lay much stress on the fifth Sunday collections in behalf of the Children's Home, and that each collection thus taken be sent at once to the Superintendent of the Children's Home;

Thirdly, That more careful attention be given in all our schools to the education of the Sunday School scholars on the subject of missions, that once each quarter a missionary program be given by the school, and that the programs recently provided by the educational department of the Board of Missions be secured free of charge and used;

Fourthly, That the adult members of the schools be organized into "Wesley Adult Bible Classes", as provided for by our last General Conference.

J. J. EDWARDS, *President.*

W. A. LAMBETH, *Secretary and Treasurer.*

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS

The reports of our Publishing House, of our Conference Board of Publication, and of Rev. H. M. Blair, Editor of the North Carolina Christian Advocate, have been referred to your Committee and have been carefully examined. We rejoice in the evidences of prosperity shown in these reports. We recommend the adoption of the report of our Board of Publication which was referred to us.

We desire also to urge an earnest and persistent effort on part of preachers and laymen, to extend the circulation of our publications. They are now equal to the best and by the co-operation of the church, may easily be placed in the forefront of similar periodicals.

W. A. NEWELL, *Chairman.*

E. K. CREEL, *Secretary.*

REPORT OF THE BOARD OF PUBLICATION.

We are glad to be able to report a prosperous year. The report of the Agent and Treasurer shows a healthy increase in the volume of business and the result of the year's business shows that we have in our publishing business a fine opportunity for helping forward all departments of our work, at the same time making the business a source of income to our Conference claimants.

We take great pleasure in being able to set apart the sum of \$665.00 this year out of the proceeds of this business for the benefit of these claimants.

It is a matter of regret that there should have been a decrease in the circulation of the Advocate, and it seems plain to your Board that many of our pastors and leading laymen are not pushing the matter in their congregations as they should.

Following is the statement of the condition of the business on November 1st, 1910.

RESOURCES

Office building	\$ 9211.46
Editorial furniture and fixtures	1008.30
Machinery and fixtures	13396.98
Cash on hand	545.65
Ledger accounts	1523.29
Subscription list	2500.00
Total	<hr/> \$28185.68

LIABILITIES

Investment	\$14981.06
Ledger accounts	664.18
Notes	5790.00
Surplus	5244.11
Net earnings for the year	1506.33
Total	<hr/> \$28185.68

Of the remaining indebtedness \$5000.00 is on the building and \$684.00 is on the machinery and fixtures. During the past year indebtedness to the amount of \$4092.00 has been cancelled.

A careful inventory of the whole plant was made November 1st, and a detailed report of this inventory is on record with this board.

We feel constrained to urge that there be diligent co-operation with the management in the endeavor to build up the general printing business carried on in connection with the publication of our paper. This has already proved very helpful and promises to become more and more helpful as our people get in the habit of turning their patronage in this direction.

That we may inaugurate an earnest campaign for extending the circulation of the Advocate we recommend that the second Sunday in January be set apart as Advocate Day in all the charges, and that the official Boards be requested to co-operate with the pastors in an organized effort to place the paper in each home. That in the circuits the pastors continue to work from church to church until the whole charge is thoroughly canvassed.

In order to make this campaign still more effective we urge that the laymen having charge of the local organization of the Laymen's Movement be brought into co-operation making the promotion

of the circulation of the Advocate a part of their work, inasmuch as the church paper must be the continual advocate and the effectual co-worker of those who have this great movement in hand.

In view of the desire on the part of many in both Conferences in this State that North Carolina Methodism should have one medium of communication, we recommend that the Conference authorize this Board to confer with such committee as the North Carolina Conference may see fit to appoint, with the view of consolidating the two papers, and that the Board be authorized to effect such consolidation, provided that the North Carolina Conference will agree to assume one-half of the investment in our building and plant and continue the publication of the North Carolina Christian Advocate at Greensboro as the official organ of both Conferences.

We recommend further that in the event an agreement is effected this Board be authorized to have our Charter so amended as to comply with the new arrangement, providing for a Joint Board of Publication, changing the name from that of the Board of Publication of the Western North Carolina Conference to the North Carolina Methodist Board of Publication, also to make such other verbal changes as may be necessary.

The Board nominates Rev. H. M. Blair, as Editor for the ensuing year and recommends that the Conference confirm the same and that the Bishop be requested to appoint him to this work. At his request we also recommend that the Bishop appoint Rev. W. L. Sherrill as his assistant.

The Board also nominates Mr. T. C. Hoyle of Greensboro, to fill the vacancy caused by the expiration of the term of J. L. Nelson.

H. M. Blair has been re-elected as Agent and Treasurer of the Board, and General Manager of the business, and we most heartily commend him for his excellent management heretofore, and bespeak for him the hearty co-operation of the whole Conference.

N. L. EURE, *Secretary.*

D. B. COLTRANE, *President.*

REPORT OF THE BOARD OF TRUSTEES OF THE CHILDREN'S HOME

In submitting our third annual report, we, your Board of Trustees, feel constrained to express our thanksgiving for the good providence which has so kindly guarded and so greatly blessed the institution which you have intrusted to our care. We feel if there is any one spot where God's angels of mercy keep unceasing vigil more than another, it is the sunny hillside where stands

our Children's Home. We believe that in a special sense the guiding watchcare of our heavenly Father has been over us in the work of the past year and that in many ways beyond our wisdom has the work been guided by a hand unseen.

When our last report was submitted to you, the Home had been open but a few weeks. We had there in the institution 42 children. During this year we have cared for 88 children and have now in the Home 78 children.

The cottages which were on the property when purchased have been repaired and remodeled in such a way that we now have a well equipped plant of sufficient capacity to care comfortably for seventy-five children.

We consider the money expended in equipping these buildings well invested as they are so grouped and situated as to afford a complete working plant while the permanent buildings are in process of construction.

The property now consists of 190 acres of land, which has been purchased for \$28,500. On this land we have five cottages, a farm house, a school house, barn and other minor buildings. There has been expended in improvements and equipment \$10491.71. The entire investment is \$39491.71.

The year has been a trying one, involving as it has the work of organization. To gather more than four score children, most of them untrained, and all of them destitute, and organize them into an orderly, industrious, happy family, is a trying task. How well this has been done we leave you to decide when you visit the home during the present session of our Conference.

To those of us who have watched the process as it has proceeded from day to day; knowing as we do the previous destitution and environment of most of the children, the transformation of individual character and the concrete results in the healthy, happy home life of the institution, it looks very much like a miracle.

While your board has given careful attention to this feature of the work, we do not hesitate to say that the happy results so far secured are almost entirely due to the untiring zeal and consecrated ability of our Superintendent, Prof. H. A. Hayes. To him and his good wife we are now assured we can safely trust the mental, moral and physical training of our homeless children.

Our financial agent, Rev. J. P. Rodgers, has with untiring zeal prosecuted his labors during the year with the result that he is able to report subscriptions secured to the amount of \$27,048.39. So efficient has been his service and so necessary is it in carrying forward the work, that he has been unanimously re-elected by your board, and we earnestly request that he be appointed by the presiding Bishop to this work.

As to the source of income necessary to support the Home for the coming year, we ask that in all our Sunday Schools a collection be taken every fifth Sunday and in addition to this an assessment equal to ten per cent. of the pastor's salary be made on each charge. We recommend the observance of Work Day some time during the month of October, the exact day to be fixed and announced by the board and the proceeds to apply on the assessment unless otherwise specified by the individual donor.

The Executive Committee of your board visits the Home four times each year. During their visits the books of the Superintendent, Agent and Treasurer are audited; the entire place is thoroughly inspected, and the management carefully investigated.

The reports of our field agent indicate a ready and generous response from the rank and file of our membership. The subscriptions have been numerous, but not large. We feel that the time has arrived when those of our members who have been intrusted with the stewardship of large wealth should seriously consider their obligation to this most deserving cause. We record our high appreciation of the action of our churches in High Point in undertaking to erect a cottage, and we trust that other cities and churches will soon follow their example. We have sought with much prayer and great care to discharge the sacred obligation you have placed upon us as trustees of this institution. Our labor has been our joy.

By the transfer of Dr. G. H. Detwiler from our Conference, there is a vacancy in our Board of Trustees. We nominate for this position on the Board Rev. H. K. Boyer, and request the Conference to ratify this nomination.

G. H. DETWILER, *President.*

BIBLE CAUSE

Your Committee on the American Bible Society report, that from information furnished us by the society through their representative, Rev. W. G. Bates, the Society has distributed in North Carolina to colporteurs and correspondents for sale 23576 volumes, valued at \$3,370.68. Donated for free distribution 2362 volumes, valued at \$191.52, making a total of 25938 volumes, and valued at \$3,563.20. They employ in our state, supported by salary, three colporteurs and arrangements are for another colporteur to be located at Charlotte. Besides these colporteurs they have correspondents with whom they deposit Bibles for sale. We rejoice that the \$500,000.00 necessary to secure a like amount as a gift from Mrs. Russell Sage, as an endowment fund, has been raised, thus securing the amount of annual interest accruing on same for use in their great work. The past year's work has been signally prosperous and active.

We assure the society of our hearty interest in their work and pledge to them our support in a liberal donation to assist in placing the Book of God in every home not already supplied.

REPORT OF COMMITTEE ON THE SPIRITUAL STATE OF THE CHURCH

We recognize this to be the chief interest committed to us by the great head of the church. All other interests gather their significance and value only as related to this supreme end, the spiritual welfare of the church of God, the body of Christ. We, therefore, as a body of ministers, need to give this paramount interest special consideration to impress the souls committed to our charge with its importance.

We rejoice in the fact of the genuine spirit of love and spiritual power among our people. Their manifest devotion to God, as indicating by their zeal and liberality in supporting the church, by their prayers and personal activities and money contributions. We recall with thanksgiving to God, the spiritual awakening in some instances in our conference during the past year, and that souls have been born into His kingdom. The miracle of regeneration is still among us. While these things are true, there are manifest conditions among us to be deplored. Your Committee is in possession of some very important data elicited from the preachers by Rev. L. T. Mann, to some pertinent questions asked of nearly all of our pastors, on this subject, previous to this Conference session. The facts are, as elicited, that many of our people do not attend upon the preaching of the word of God, at least 50 per cent. of them absent themselves from the public services of the sanctuary.

Conformity to the world on the part of many of us, who name the name of Christ, is very manifest. The spirit of covetousness, the ambition to get rich quick, lead many into temptation and into many foolish and hurtful lusts which drown men's souls in perdition. The growing tendency among many of our young people for worldly amusements: the theatre, the circus, the moving picture shows, the card parties, the dancing halls, Sabbath desecration, prevail alarmingly among our young people. When we consider the demand upon the time, money and attention of our young people, in the Club social life, especially of our towns and cities, we need not be surprised at their attitude of utter indifference to their Christian obligation. We view with alarm, the danger among us in the reading of suggesting and foul literature among our boys and girls. Both blighting and damning to their moral and

spiritual natures. There is a manifest lack of the worship of God in our homes. Less than 7 per cent. of which have family worship. Thus is God ignored in the family life. We hesitate to report that among the officials of our church, who should be men of solid piety, some fall far below the necessary moral qualifications necessary for position in the church. We have in our church, as the result of a superficial evangelism hundreds who have never been really born of God, and have no experience of conscious salvation. And yet many more have forgotten that they were ever purged from their old sins;

Therefore, be it resolved:

That we, as ministers of the Gospel, pray without ceasing to the head of the church for the revival of the Kingdom of God in the hearts of our people, and the work of grace in the salvation of lost souls about us. We recommend the time of fasting and prayer among our people for these desirable results. We recommend the faithful preaching of the doctrine of grace and the loving and firm exercise of discipline, wherever it is needed, thus, purging out the old leaven that we may be a new lump and meet for the Master's use.

D. H. COMANN, *Chairman*.

REPORT OF THE COMMITTEE ON TEMPERANCE

Your Committee on Temperance begs leave to submit the following report:

1. We have had under consideration the report of Rev. R. L. Davis, Superintendent of the North Carolina Anti-Saloon League; we endorse the League, its work and its literature, and commend it to our people and especially the North Carolina edition of the American Issue, and pledge to the League our moral and financial support, as in its organized form it is the Church Militant against the liquor forces.

2. Seeing the lack of the enforcement of the Prohibition Law in some sections we recommend the organization of Law and Order Leagues wherever the Liquor Laws are not being enforced, as the most effectual way for temperance people to work. We are inspired by the law and Order League of Asheville and are encouraged by the example of Hon. Virgil S. Lusk at the head of the League in his heroic work for law enforcement, and others who are standing like him in their community.

3. We still rejoice that we have a State-wide prohibition law, and pledge ourselves to the enforcement of the law, and to the support of only those who are for the enforcement of the law, as the failure to enforce the law would soon demand its repeal.

4. We believe with the Anti-Saloon League, that the Near Beer Saloon is a blind behind which the prohibition law is constantly violated, and is itself an evil, born of evil, and can accomplish only evil. We therefore request our next General Assembly to pass a law prohibiting the sale of Near Beer in our State.

5. As there is a growing evil from the indiscriminate sale of opium, morphine, cocaine and kindred drugs, we request the coming General Assembly to pass a law prohibiting the sale to any except physicians and on their prescriptions.

6. Great injury has been done to the cause of temperance and law enforcement in our State, by the lack of an inter-state commerce law to prohibit the importation of liquors into prohibition territory. The traffic is made possible by the use of the U. S. mail in advertising and soliciting. We therefore urge Congress to pass a law prohibiting the shipment of liquors into prohibition territory, and the use of the U. S. mails in advertising intoxicating liquors.

7. That we as ministers of the W. N. C. Annual Conference do not patronize newspapers that advertise liquors.

8. Seeing the widespread and harmful influence and effects of the tobacco habit in all its forms, and especially in the form of the cigarette, we ought to be more diligent in teaching the young, both by precept and example, the dangers of the practice, and in entreating those who are confirmed in the habit to cease from its use, and give their influence to the saving of the coming generation from slavery to the habit.

And your committee commends the advanced position taken by our last General Conference in which those in authority were urged to admonish our young ministers to abstain from the use of tobacco.

J. H. Brendall, Chairman; E. Myers, Secretary, Chas. P. West, W. E. Poovey, J. R. Warren, H. H. Robbins, J. M. Roberts.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

The Committee on District Conference Records beg to submit the following report:

As a whole the records are in good condition. All the books have been before the committee and carefully examined.

The only mark of criticism that might be offered to some is in the way of punctuation.

REV. R. G. BARRETT

BY O. I. HINSON

Rev. Robert Graham Barrett was born in Moore County, North Carolina, November, 1830, and fell asleep in Statesville, June 22nd, 1910, being in his eightieth year.

He received his elementary training in the high schools of his native county, and graduated with honor from the State University in the class of 1856. He was honored by the same institution with the Master of Arts degree in 1870.

He joined the North Carolina Conference at Greensboro in 1856, at which session he was ordained deacon by Bishop Early. In 1858 he was ordained Elder by Bishop Kavanaugh. He was married four times: First to Miss Parthinia Robbins, in 1858. The second marriage was to Miss Amella Robbins, in 1875, the third to Miss Fidelia Sharpe, in 1895, and the fourth to Mrs. Jane Sharpe Pickert, in 1902. In 1906 he was called upon to mourn the death of his last companion.

From 1856, the time when he joined the Conference, he served on circuits, stations and in the Presiding Eldership with acceptability and success. He served the following charges:

1857-1858, Warrenton Circuit; 1859-1860, Goldsboro Circuit; 1861-1862, Beaufort Station; 1863-1864, Mocksville Circuit; 1865-1867, Yanceyville Circuit; 1868, Wentworth Circuit; 1869-1872, Davidson; 1873, Salisbury; 1875, Lincolnton; 1876-1877, Shelby District; 1878-1879, Fayetteville District; 1880, Salisbury District; 1881-1882, Statesville District; 1883, Mooresville Circuit; 1884, Tar River Circuit; 1885, Youngville Circuit; 1886, Ruffin Circuit; 1887, Kernersville Circuit; 1888-1889, Iredell Circuit; 1890, Hickory and Lenoir; 1891, Thomasville Station; 1892, Monroe Circuit; 1893, Supernumerary; 1894, Broad River Circuit; 1895-1898, West End, Statesville; 1899, Epworth, Concord; 1900-1903, Holmes Memorial, Salisbury; 1904, Supernumerary; 1905-1910, Superannuated.

These figures help us to locate the man during his active life, which included nearly fifty years, but they leave a great deal untold. He was made of fine metal, and did not allow his sword to rust unused. He made a full consecration of his life to the furtherance of the Master's kingdom. As my pastor years ago, I heard him say that he gave the first five dollars he ever had, and all that he had at that time,

to the cause of missions. It was a full surrender that he made when he said, "Here am I, send me." Neither did he regret the course of his life. Speaking in the presence of a number of ministers a few months before he died, he said, "If I had my life to live over I would not change it." Thus he came to the end unafraid.

It could not have been otherwise with him, for he was a true man in all the relationships of life. He was a loyal husband, a safe counsellor and guide to his children and a wise pastor of the people. With the poor and ignorant, he was considerate and sympathetic; with the cultivated he was at home, and he had the happy faculty of holding all in the grasp of his love and confidence.

In his best days he was a preacher of no mean ability. He stirred great audiences with his deep conviction of the truths of the gospel. He believed in the power of the gospel to save, and he threw his whole soul into the proclamation of the glad tidings of salvation to a lost world. He was also often scholarly in his presentation of the truth, his mind being thoroughly trained in the ways of logical reasoning. His faith and preaching had inspired hundreds to begin the life which our Master lived. From the mountains to the sea, hungry men and women have looked to him for the bread of life. Also, many church buildings in various localities are witnesses of his faithfulness and loyalty. Well might he say: "Ye are my witnesses." He served well, and to him has been accorded the "well done" of his Master and Lord.

REV. HILLIARD F. CHREITZBERG, D. D.

BY J. H. WEAVER

Rev. Hilliard F. Chreitzberg was born in Georgetown, S. C., February 24th, 1850, and was the son of the late Rev. Dr. A. M. Chreitzberg, of the South Carolina Conference.

Dr. Chreitzberg graduated at Wofford College in 1873. And received the degree of A. M. from the same college three years later. In 1873 he was happily married to Miss Addria Kirby, of Spartanburg, S. C. He is survived by his widow and five children, two sons and three daughters. He joined the South Carolina Conference in 1873 and served the following charges: Cove Creek and Camden, Anderson, Spring Street, Charleston; Sumter, Newberry, Chester and Washington Street, Columbia.

In 1892 he was transferred to the Western North Carolina Conference and served the following charges: Central Church, Asheville, 1893-1896; Reidsville, 1897; Tryon Street, Charlotte, 1898-1901; Gastonia, 1902-1903; Centenary, Winston, 1904-1907; and had nearly completed his third year at Monroe, when on the 10th of October, 1910, he was called to his well earned rest, and reward.

Dr. Chrietzberg was a cultured Christian gentleman, with a splendid physical development, highly endowed intellectually and a strong and stainless moral character. He commanded the respect and admiration of all who knew him. He had a big brotherly heart which was always wide open to all his fellows. He loved his brethren of the Conference, and was ever ready to render them any help in his power. He was always deeply interested in whatever made for the welfare and upbuilding of his country. On every moral question his voice was heard, and his influence felt. He dared to take his stand on the side of right, against all who might oppose. He was a fearless and powerful advocate of temperance and did much to help banish from our state the licensed saloon. He was for six years the Grand Chief of the Independent Order of Good Templars, and traveled extensively in this country and visited Canada and Europe as the official representative of the Order, making numerous temperance addresses.

As a preacher he ranked high. He was well fitted by nature, culture and grace, for his high and holy calling. His sermons were always carefully prepared and delivered with great force and vigor. He had read largely and thought deeply. His services were in demand for our strongest and most cultured congregations. He was never anything but a pastor, and desired nothing else. This was his chosen and loved employ. He understood, preached and ably defended the doctrines of his church. As a pastor he was diligent, systematic and deeply sympathetic. He poured out without stint the wealth of his cheerful, generous soul for others. While he was an exceedingly modest man, he was absolutely fearless. He had strong convictions of right, and was not afraid to stand by them. He hated all shams and hypocrisies. He loved the truth and espoused it with all his heart. While he hated all sin, he loved the sinner, and would go as far and do as much to save the lost as was in his power. He was the founder of our Conference Brotherhood and was its secretary and treasurer until his death. He gladly gave much time and labor to this work and through this agency he was able to lift a great burden from the hearts of the widows and fatherless children of many of our fallen brethren. We ought to make the Brotherhood an enduring monument to his name, and memory, and let his example of unselfish devotion to this cause, stir us up to greater activity and faithfulness in this good work. As a Brotherhood we shall greatly miss his presence, his wise counsel, and successful management.

As a Christian he was of a happy, cheerful disposition. His religion was one of sunshine and joy. It beamed forth from the pulpit and gave heart and hope to many troubled, doubting souls. His coming brought strength and courage into places of business that he entered. His passing along the street left smiles on careworn faces. The homes of the rich and the humble poor, all alike, felt the blessing of his

genial presence. The touch of his kindly hand and loving heart brought hope and help to many in sore affliction, and helped to turn the tide back to life and health again.

In the home is perhaps the best place to get a true picture of a man. His home was the throne of his power, and he ruled there with the scepter of love. Whoever came into close touch with his home life could not fail to be impressed by the sweet, pure Christian atmosphere that pervaded it. Father, mother, children, all happy and contented in each others love and all joined in showing the most thoughtful and respectful attention to their guests. His was a home indeed, and in truth.

His life did not reach into years of infirmity and darkness, but went out in the strength and maturity of all his noble powers. We expected many years yet of valuable service to the Conference and church from one who seemed so well and strong at our last annual meeting. But instead of coming up to this Conference to make his report he has gone to the great Conference on high, and has rendered report of his work and heard the great Bishop of souls say to him, "well done, good and faithful servant, enter thou into the joy of thy Lord."

REV. JOHN N. HUGGINS

BY HAROLD TURNER

Rev. John Newton Huggins was born near Bellville, Ill., August 31st, 1856, and died at Statesville, N. C., December 5th, 1909, in the 54th year of his age.

He was converted when 14 years old, while a student at McKendree College, Lebanon, Ill., and joined the Methodist Episcopal Church, South, at that place. Graduating from this institution in 1874, he returned to his native town where he studied law, and practiced his profession for two years.

In 1884 he joined the South West Missouri Conference of which he remained a member until he came by transfer to the Western North Carolina Conference in 1899.

March 24th, 1887, Brother Huggins was married to Miss Cynthia Jane Pipkin, of Springfield, Missouri, who for 22 years stood by his side as a true and faithful helpmate amid the joys and sorrows of an itinerant Methodist preacher's life.

To them were born three children, the oldest, a boy, dying at seven years of age, while two, Helen P., and J. Reuben, with their mother, survive him.

In his home Conference Brother Huggins filled some of the most important charges with great acceptability. Among them Carthage, Brooklyn Avenue, Kansas City; Presiding Elder Springfield District; Jefferson City and Marshall, from which place he was transferred to this Conference, where he served Haywood Street, Asheville; Forest Hill,

Concord, Lexington, and Presiding Elder of the Statesville District.

Brother Huggins was a modest man and of a retiring disposition, seldom, if ever, seen on the Conference floor yet he had decided convictions and when the opportunity came for the expression of them he never failed to show the courage to do so.

As a pastor he was most highly respected and beloved wherever he went. Child-like in faith, simple in life, a man of broad information and culture, he drew to him with equal veneration and love, the rich and the poor, the old and the young. The poor felt that in him they had a friend to whom they could go in sorrow, being assured of real sympathy, whilst business men realized that any important matters confided to him would receive careful consideration, and any advice which he gave was valuable, because of his practical knowledge of business.

In his study he was not content to merely peruse the works of the great theologians, but, thoroughly conversant with the best literature of the world, he read fiction, and biography to a great extent. While a most assiduous student of history, his sermons from time to time were illuminated with thoughts and quotations from the classics which made them a delight to the cultured in his congregations.

As a Presiding Elder, Brother Huggins was a wise, consecrated leader and an efficient administrator of the affairs of the church.

He studied with minutest care every charge and every preacher, and well knew the needs of both. With the preachers in his district he was sympathetic beyond their ability sometimes to realize.

Nothing of the problems of the charges ever escaped his attention, and it may be truly said of him he carried his work on his heart.

During the Conference at Hickory he contracted a deep cold, but after his return home to Statesville he rallied somewhat and on November 27th preached at 11 a. m. at Broad Street Church, and at Race Street Church at night. The Conference year was opening for him full of promise, and on the day mentioned he preached with more than his usual vigor. The day following, however, the cold from which he had been suffering developed alarmingly and pneumonia set in. From the first moment the physicians realized that he was in the hands of a terrible enemy, and, having a frail constitution, he was unable to rally and overcome the disease, and on the night of Sunday, December 5th, passed peacefully away to receive the reward for the righteous: "Well done, thou good and faithful servant."

On Monday there was held in Broad Street Church a memorial service, led by Rev. J. H. Weaver, Rev. J. W. Jones, Rev. R. M. Courtney and the writer.

A great concourse of people gathered to do honor to his memory. From Lexington came a large delegation of

Masons, of which fraternal order he was an honored member, from Concord and other places in the State, there were friends who had known and loved him, while the entire community of Statesville, without regard to creed, color, or class, was represented in the congregation.

December 9th, Rev. C. H. Briggs, a life long friend of the family and pastor of St. Paul Methodist Church, South, Springfield, Mo., conducted the funeral service, assisted by the writer, and the remains were, with Masonic honors, laid to rest in the city cemetery of that place.

Sleeping under a mantle of snow, a fit emblem of the purity of his life, the grave covered with a bank of beautiful flowers, suggesting the fragrance of his life, we left this sacred spot to await the dawn of that cloudless morn, "When the day breaks, and the shadows flee away."

REV. T. E. SMILEY

BY O. S. DEAN

We regret that the brief space of time given for the preparation of this memoir does not permit the getting together of many of the details of Brother Smiley's life. He came to us from the Methodist Episcopal Church, and, according to the best information we can secure, was born in Indiana. Before connecting himself with the Western North Carolina Conference, he was engaged in newspaper work, being a member of the staff of the Asheville Gazette-News. He was appointed to the Weaverville Station about the first of September, 1908, to fill out the unexpired term of Rev. G. W. Crutchfield. At the Conference in November of the same year he was returned as pastor of the Weaverville Church.

There were three notable things about this dear brother. First, his devotion to his invalid wife was beautiful. It was for her sake that he sought the sun-kissed hills of Western North Carolina, where the balmy air offers health and happiness to many a sufferer. Day after day and night after night he was constantly at her side. All that medical skill could do he employed to the very best of his ability. Patiently, lovingly and cheerfully he watched and worked and waited, until she went away just before Conference in 1909.

Second, his fidelity to his church and its work was marked. Notwithstanding the nervous strain and the anxiety incident to his attentions to his sick wife, he prepared his sermons regularly and well and delivered them in an earnest manner, he kept his mid-week prayer-meeting up to a high point and visited his members successfully. If any one got sick in the community, he was somehow one of the first to know about it. If some one was in trouble, he was there to comfort and encourage. No department of his church suffered any neglect.

Third, his cheerful disposition was delightful and refreshing. For every one he had a smile. Little children on the street were glad to see him; the man in the busy rush of life was attracted by his winning manner; the aged were happy to look into his bright face. Every one loved him. He criticised nobody; he loved everybody.

At the session of the Conference at Hickory, he was sent to a new work, but did not get there. A few days after his return from Conference, he gave way. Mind and body had broken under the great nervous strain. He never completely rallied. He was taken back north by loved ones who did all they could for his comfort and restoration; but it was not long until he came to his sad and premature end.

His life among us was a labor of love. He brought us flowers and held the thorns in his own hands as he gave them to us. He seemed to feel that his mission to us was that of love and he discharged it well. God will not forget, nor will we.

DECEASED WIVES OF PREACHERS.

Mrs. Emma Jane Hornbuckle, daughter of John R., and Maggie Means, was born in Cabarrus County, N. C., May 7th, 1867. When eleven years old she confessed faith in Christ and joined the Methodist Church. She was on August 13th, 1898, married to Rev. J. P. Hornbuckle, was faithful in all the duties of an itinerant's wife and after a lingering illness died in peace at the parsonage in Reidsville, July 13th, 1910.

Mrs. Rachel D. Edwards, was born in Haywood County, N. C., March 1st, 1871, and joined the Methodist Church when thirteen years old. On January 14th, 1894, she was married to Rev. J. J. Edwards. She was a woman of uncommonly strong character and was indeed a helpmate to her husband in his work as an itinerant preacher. She died at Troutman on February 18th, 1910, and the body was laid to rest in the village cemetery.

Mrs. Ida Kearns Parker was born in Guilford County, N. C., November 28th, 1865. She joined the Methodist Church when fifteen years old and was married to Rev. P. E. Parker February 22nd, 1893. She was in the best sense a good woman. As the wife of an itinerant preacher she filled her place well. Her prudence and consecration won the respect of all who knew her and did much to strengthen her husband in his work. After a short illness she died at the parsonage in Mocksville, May 28th, 1910.
